# GROWING TOGETHER!

**Join us for an afternoon  
of fun and learning  
for all ages!**

- ✿ Arts & crafts - decorate your own plant pot
- ✿ Community planting - take home seeds to grow flowers
- ✿ Meet members of the regeneration team
- ✿ Learn about what we found in the 2019 neighbourhood research\*
- ✿ Take part in our vox pop (a mini film about life on Woodberry Down)

**\*In summer 2019, Social Life carried out research with over 450 residents in Woodberry Down about their sense of belonging, health and wellbeing, feelings of safety, relationships with neighbours, and thoughts about the regeneration programme. Come learn what we found!**
